

Rio Arriba County Detention Center

(RACDC) POLICY 078: SANITATION

The Rio Arriba County Detention Facility shall maintain strict sanitation practices that comply with local, state, and federal health and sanitation codes. This will ensure a safe and sanitary living and working environment for inmates and staff.

Procedure:

1. The Chief of Security and the Maintenance man shall inspect all areas of the facility on a weekly basis to ensure that detention officers are maintaining safety and sanitation practices.
2. The administration shall cooperate with state agencies that are directed to carry out inspections of the facility.
3. The Chief of Security shall review all inspection reports and implement a plan of action to correct all deficiencies noted in a timely manner.
4. Any major finding by an outside inspection agency shall be reported to the County Manager.
5. Detention officers shall inspect all units every half hour to ensure that the entire facility is clean and orderly.
